

SHORT-TERM STAFF PERMIT

The Short-Term Staff Permit (STSP) became available on July 1, 2005. Created in response to the phasing out of emergency permits, it allows an employing agency to fill an acute staffing need when local recruitment efforts have been made but a fully-credentialed teacher cannot be found.

The STSP is only available at the request of an employing agency. Individuals may not apply directly to the Commission for this document. Holders of the STSP are restricted to service with the employing agency requesting the permit. An employing agency is defined as a California public school district, county office of education, nonpublic school, charter school, or statewide agency.

The STSP is available in the areas of Multiple Subject, Single Subject, and Education Specialist. Individuals who were issued four or fewer emergency permits may be issued a STSP. Individuals who were issued five emergency permits do not qualify for the STSP.

Authorizations

The Multiple Subject STSP authorizes the holder to teach in a self-contained classroom such as the classrooms in most elementary schools. However, a teacher authorized for multiple subject instruction may be assigned to teach in any self-contained classroom (preschool, K-12, or in classes organized primarily for adults). In addition, the holder of a Multiple Subject STSP may serve in a core or team teaching setting*.

The Single Subject STSP authorizes the holder to teach the specific subject(s) named on the credential in departmentalized classes such as those in most middle schools and high schools. However, a teacher authorized for single subject instruction may be assigned to teach any subject in his or her authorized fields at any grade level (preschool, grades K-12, or in classes organized primarily for adults)*.

The Education Specialist STSP authorizes the holder to teach in the area of specialization listed on the credential in the following settings: special day classes, special schools, home/hospital settings, correctional facilities, nonpublic schools and agencies, and resource rooms.

* All Multiple and Single Subject STSPs will be issued with an English learner authorization. This authorization allows the holder to teach English language development (also known as English as a Second Language or ESL) and specially designed academic instruction delivered in English (SDAIE) in the grade level(s) provided by their Multiple or Single Subject authorization.

Period of Validity

The STSP will expire at the end of the employing agency’s school year and cannot be issued for more than one year. The permit is not renewable and is available to an individual once in a life time.
